GREAT CONTEST LOOKED FOR WHEN SYSONBY AND ARTFUL MEET

PLANNED TO BRING CHAMPION OF THE SEASON AND LAST YEAR'S FUTURITY WINNER TOGETHER IN A MATCH RACE--NEITHER HAS BEEN DEFEATED THIS YEAR.

In Sysonby J. R. Keene has the 1905 turf champion. Race followers declare that this marvelous three-year-old is the greatest race horse ever produced--bar none.

Sysonby has won approximately \$100,000 in purses, and this sum would not tempt his owner to part with him. Standing 15 hands 3 inches, powerfully shouldered, deep chested and with hind quarters showing wonderful driving power, Sysonby is a living, breathing race marvel.

Not by establishing speed records has Sysonby established his right to the crown, but by his apparently irresistible determination to come first to the wire he has made himself great. In the opinion of Keene, Sysonby will never be defeated, save through an accident or error in judgment on the part of his trainer or jockey.

Sysonby is not a break; he is the

FIVE CENT BEER IN TOWN OF DEMING

The people of Deming who are given to indulgence in the article that made Milwaukee famous, have been having a great time the past week, says the Lordsburg Liberal. A representative of the Albuquerque brewery opened a saloon in Deming and proceeded to sell beer at five cents a schooner. There were men in Deming who had never tasted five-cent beer, and there were others who had not drunk it for so long a time that they had forgotten its taste. Both classes experimented with the beverage and they lived it. It was estimated by scientific observers that more beer was drunk in Deming during the first three days five cent beer was on sale, than during any previous month in the history of the city.

CURE FOR HAY FEVER

J. H. O'REILLY & CO. SAYS HYOMEL WILL GIVE RELIEF--SOLD UNDER GUARANTEE.

J. H. O'Reilly & Co. wish us to announce that when Hyomel is used as a preventive, they advise daily treatment with Hyomel for two or three weeks before the usual time for the annual appearance of hay fever. If this is done, the attack will be prevented. However, if the preventive treatment is not started soon enough, and the disease makes its appearance, use Hyomel six or seven times daily, and relief will be given at once. There is no stomach dosing when Hyomel is used. Breathed through the neat pocket inhaler that comes with every outfit, its medicated air reaches the minutest air cells, killing all germs and soothing and healing the irritated mucous membrane. The complete Hyomel outfit costs but \$1, extra bottles 50 cents. It is the only treatment for hay fever sold by J. H. O'Reilly & Co., under a guarantee to refund the money if it does not give satisfaction.

Thomas Brizendine of Mora county has brought suit in the district court for a divorce from his wife, Fanny Brizendine, at present residing in Bernalillo county, on the grounds of desertion. The couple were married at Mora on June 20, 1896, and lived together until December 18, 1903, when she left his bed and board. There was one child born to them, Romo Brizendine, who is now five years of age.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. This being the case, he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by all dealers.

Mrs. W. J. Mills of Las Vegas, yesterday morning received a letter from Judge Mills, dated East Stopham, Me., which said: "Arrived here this morning; Wilson wounded in right shoulder; very trifling." This is the kind of definite news that entirely reassures the family and friends of the young man. It is somewhat remarkable that the professor who sent out the first two telegrams couldn't have shown intelligence enough to describe the nature of the injuries, says the Optic.

THE GREATEST EPOCH OF MARRIAGE

The first is the most crucial time. If for the first time the greatest event in your married life is about to occur, how expectant, how wrapt up in it you find yourselves.

You try to overlook, but in vain, that element of uncertainty and danger that you have been led to expect from the experience of those mothers and fathers who have struggled through this ordeal in ignorance of

Mother's Friend

what it is, and what it does.

If at this time every expectant man and wife might know of this greatest of boons, devised for the express purpose of alleviating and dispelling the suffering and consequent danger of child-birth, how quickly would all doubt and worry be dissipated.

Mother's Friend is an invaluable liniment for external massage, through whose potent agency countless mothers have been enabled to experience the joy of parturition for the first time without danger to themselves or their off-spring.

Washington, July 22.—Postmaster General Cortelyou proposes to resign his position as chairman of the republican national committee in about three weeks. This was authoritatively learned here.

Col. Harry New of Indiana, vice chairman, will then be acting chairman until the next national campaign. With Elmer Dover, secretary of the committee, Mr. Cortelyou is now engaged in winding up some routine business left over from the campaign last year.

Mr. Cortelyou's intention of retiring has been well known for several months. According to the present outlook there will be no new chairman chosen until the next campaign.
